

Packaging Recycling Guide

CARDBOARD

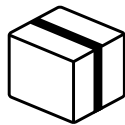

FSC certified cardboard outer boxes. All cardboard easily recycled at home

PAPER VOID

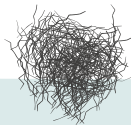

100% recycled, FSC certified paper void. Easily recycled at home

PAPER TAPE

Easily recycled with your cardboard at home

SHREDDED CARDBOARD

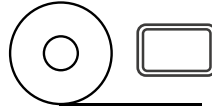

We shred our own waste cardboard to protect fragile products. Easily recycled at home

PLASTIC BAGS

We avoid using plastic bags. Plastic mailing bags are sometimes used, these are 70% recycled content. Please recycle soft plastic packaging at collection points of large supermarkets (check local supermarkets)

TAPES & LABELS

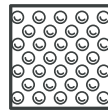

Return labels have a plastic backing and adhesive making them hard to recycle, please dispose in general waste

TISSUE PAPER

Usually recycled at home (check local recycling).

PLASTIC BUBBLEWRAP

Our thinner grade bubblewrap has 30% less plastic than standard bubblewrap. Please recycle soft plastic packaging at collection points of large supermarkets (check local supermarkets)

LEAFLETS & CATALOGUES

Catalogues are printed on PEFC certified paper. Easily recycled at home
